Unless otherwise provided in this Order, delivery in whole or part shall not be made more than ten (10) days prior to required delivery dates.

D. Whenever it appears Seller will not meet the delivery schedule, Seller shall immediately notify Buyer of the reason and estimated length of the delay. If Seller's delivery shall fail to meet the delivery schedule, Buyer, without limiting its other rights or remedies, may direct expedited routing, and any excess cost incurred thereby shall be debited to Seller's account.

E. If Seller is unable to meet the required delivery schedules for any reason, other than a change directed by Buyer, Buyer shall have the option to (1) terminate this Order, or (2) fill such Order or any portion thereof, from sources other than Seller and to reduce Seller’s
Order quantities accordingly at no increase in unit price, without any penalty to Buyer, or (3) accept late delivery and recover from Seller any costs Buyer incurs caused by the late delivery. This condition shall not limit Buyer’s other rights and remedies Buyer may otherwise have under this Order or applicable law.

F. If Seller intends to source or ship direct from outside of the U.S. to Buyer then, in addition to complying with all applicable Export Regulations, Seller shall provide the name, country and contact information of the non-U.S. sources within ten (10) days after Order acceptance. Seller proposed sources outside of the U.S. must have a reputation for honesty and a company policy prohibiting bribes and facilitating payments intended to expedite or secure performance of a routine governmental action, such as, customs clearance. Buyer retains the right to deny Seller’s use of Seller proposed sources within thirty (30) days of Seller notification. Seller shall ensure that Buyer’s purchase does not transit through one of the proscribed countries listed in U.S. ITAR, 22 C.F.R. 126.1.

13. TERMINATION FOR CONVENIENCE

A. GENERAL: Buyer may terminate the performance of work under this Order, in whole or from time to time in part, whenever it shall determine that such termination is in the best interests of Buyer. Any such termination shall be effected by delivery to Seller of a notice of termination specifying the extent to which performance of work under this Order is terminated and the date upon which such termination becomes effective. If such notice does not indicate the termination is pursuant to Section herein entitled "Termination for Convenience," or the section herein entitled, "Default," Buyer shall have the right to so indicate with a reasonable time thereafter not to exceed thirty (30) days.

B. U.S. GOVERNMENT: Buyer may at any time terminate all or any part of this Order in accordance with the contract clause entitled “Termination for Convenience of the Government (Fixed-Price)” set forth at 52.249-2 of the FAR, which clause is hereby incorporated herein and made a part hereof by this reference, except that the term “contract” therein shall mean this Order, the term “Contracting Officer” therein shall mean “Buyer”, the term “Government” therein shall mean “Buyer” except that in subparagraph (b) (8) and at the first occurrence thereof in paragraph (h) it shall mean “Buyer or the Government” and in paragraph (n) it shall mean “Buyer and the Government”, the term “Contractor” therein shall mean “Seller”, paragraphs (d) and (j) thereof are deleted, the period “120 days” in paragraph (c) is changed to “60 days”, the period “1 year” in paragraph (e) is changed to “3 months” and the period “90 days” in paragraph (l) is changed to “45 days”; provided, however, that if this Order is a first-tier subcontract under a U.S.G. Prime Contract, the period “1 year” in paragraph (e) is changed to “180 days.”

14. TERMINATION FOR DEFAULT

A. GENERAL:
1. Buyer may, after providing Seller with ten (10) calendar days written notice, and upon Seller’s failure to cure such default in that ten (10) day period (“Cure Period”), terminate this Purchase Order in whole or in part at any time by notice in writing for (i) breach of any one or more of its terms, (ii) failure to deliver goods or services within the time specified by this Purchase Order or any written extension, (iii) failure to make progress so as to endanger performance of this Purchase Order, or (iv) failure to provide adequate assurance of future performance; provided, however, there shall be no Cure Period for default related to failure to meet the delivery schedule or defaults incapable of cure. Buyer may also terminate this Purchase Order in whole or in part without a Cure Period in the event of Seller’s suspension of business, insolvency, appointment of a receiver for Seller’s property or business, or any assignment, reorganization or arrangement by Seller for the benefit of its creditors. In the event of partial termination, Seller is not excused from performance of the non-terminated balance of work under the Purchase Order.

2. In the event of Seller’s default hereunder, Buyer may exercise any or all rights and remedies accruing to it, both at law, including without limitation, those set forth in Article 2 of the Uniform Commercial Code, or in equity, including but not limited to, Seller’s liability for Buyer’s excess re-procurement costs for goods or services.

3. If this Purchase Order is terminated for default, Buyer may require Seller to transfer title to, and deliver to Buyer, as directed by Buyer, any (1) completed supplies, and (2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights that Seller has specifically produced or acquired for the terminated portion of this Purchase Order. Upon direction of Buyer, Seller shall also protect and preserve property in its possession in which Buyer has an interest.

B. U.S. GOVERNMENT:

The FAR 52.249-8 “Default (Fixed Price Supply and Service)” clause is by this reference incorporated herein and made a part hereof except that the term “contract” therein shall mean this Order, the term “Contractor” therein shall mean “Seller”, the term “Contracting Officer” therein shall mean “Buyer”, the term “Government” in all paragraphs thereof except paragraph (c) shall mean “Buyer” and all reference therein to “Disputes” shall mean the “Disputes” clause of this Order. Buyer may terminate this Order in whole, or in part, for Seller’s default in accordance with this clause. In addition, Buyer may terminate this Order in whole, or in part, in the event one of the following occurs, is threatened, or is imminent with respect to Seller: insolvency; bankruptcy; suspension of business; sale of a substantial part of Seller’s assets; filing for dissolution; liquidation proceedings; appointment of a trustee or receiver for Seller’s property or business; or assignment.

15. FORCE MAJEURE
Except for a default of Seller’s subcontractor at any tier, neither Buyer nor Seller shall be liable for any failure to perform due to any cause beyond their reasonable control and without their fault or negligence. Such causes include, but are not limited to, acts of God or of the public enemy, acts of the government in its sovereign or contractual capacity, fires, floods, epidemics, terrorism, quarantine restrictions, strikes, freight embargoes, and unusually severe weather. In the event that performance of this Purchase Order is hindered, delayed or adversely affected by causes of the type described above ("Force Majeure"), then the Party whose performance is so affected shall so notify the other Party’s authorized representative in writing and, at Buyer’s option, this Purchase Order may be completed with such adjustments to delivery schedule as may reasonably be required by the existence of Force Majeure.

16. DISPUTES AND GOVERNING LAWS

A. Any dispute arising under or in connection with this Order with respect to the rights, duties, or obligations of the Parties shall be submitted in writing for resolution to ascending levels of management of the respective Parties.
B. If a dispute cannot be resolved to both Parties’ mutual satisfaction, after good faith negotiations, within ninety (90) days from the date the written claim is received by the other Party, or such additional time as the Parties agree upon in writing, either Party may bring suit only in the state or federal court located in the State of Florida. Seller consents to personal jurisdiction for this purpose in the State of Florida.
C. Pending any prosecution, appeal, or final decision referred to in this clause, or the settlement of any dispute arising under this Order, both Parties shall proceed diligently, with their respective obligations under this Order.
D. To the maximum extent permitted by law, the Parties waive any right to a jury trial.
E. In no event shall Buyer be liable for anticipated profits, incidental or consequential damages. Buyer’s liability on any claim, of any kind and for any loss or damage arising out of, connected with or resulting from this Order, or from the performance or breach thereof shall, in no case, exceed the price allocable to the Products and/or Services, or unit thereof, which gives rise to the claim. Buyer shall not be liable for penalties of any description. Any action resulting from any breach on the part of Buyer as to the Products and/or Services delivered hereunder must be commenced within one year after the cause of action has accrued.
F. In no event shall Seller acquire any direct claim, or direct course of action against the U.S.G. except as approved by Buyer pursuant to this clause or as otherwise authorized by law.

17. REMEDIES

A. Except as otherwise provided herein, the rights and remedies of both Parties hereunder shall be in addition to their rights and remedies at law or in equity. Failure of either Party to enforce any of its rights shall not constitute a waiver of such rights or of any other rights and shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies; rather, the same shall remain in full force and effect.
B. Buyer shall be entitled at all times to set off any amount owing at any time from Seller to Buyer, against any amount payable at any time by Buyer to Seller.
18. PRESERVATION OF GOVERNMENT’S RIGHTS

If SPARTON furnishes designs, drawings, special tooling, equipment, engineering data or other technical or proprietary information (Furnished Items) to which the U.S. Government owns or has the right to authorize the use of, nothing herein shall be construed to mean that SPARTON, acting on its own behalf, may modify or limit any rights the Government may have to authorize the SELLER’s use of such Furnished Items in support of other U.S. Government Prime Contracts.

1. Government reserves the right to inspect materials and services at Seller’s facility IAW FAR Part 52.246-2, 52.246-7 and 52.246-5.
2. Government Indemnity. In no event shall the Government be liable to Subcontractor or to any third party for any indirect, special, consequential, punitive, or incidental damages, including, but not limited to, damages for loss of business profits, business interruption, loss of business information, or failure to realize expected savings, even if Government has been advised of, or could have reasonably foreseen, the possibility of such damages.

19. GOVERNMENT OR BUYER’S PROPERTY

A. Title to all property furnished to Seller by Buyer or U.S.G., or paid for by Buyer or U.S.G. shall remain with Buyer or U.S.G., as applicable.
   a. Seller shall not alter or use such property for any purpose or for any other party other than that specified by Buyer or U.S.G., without the prior written consent of Buyer or U.S.G. If Buyer or U.S.G. agrees to pay Seller for acquisition of tooling and equipment, either separately or as a stated part of the unit price of Products purchased herein, title to the same shall pass to Buyer or U.S.G., as applicable, upon (i) commencement of processing for use in performance of this Order, or (ii) Buyer payment therefore, whichever occurs first.

B. Seller shall assume the risk of, and be responsible for, any loss, theft, destruction of or damage to Buyer property while in Seller’s possession or control. If Seller damages any property, Seller shall be responsible for making repairs, or replacement, at no cost to Buyer.

C. Seller shall assume full risk of loss, and be responsible for, any loss, theft, destruction of or damage to U.S.G. property while in Seller’s possession or control and shall be responsible for making repairs or replacing the item at no cost to the U.S.G. when FAR 52.245-1, Alternate 1, applies to this Order (Reference Section 58 of the terms and conditions for applicability). If FAR 52.245-1 is applicable, then Seller shall have limited risk of loss for lost or damaged U.S.G. property and shall seek relief of accountability to the Buyer in accordance with FAR 52.245-1 (f)(1)(vii).

D. Upon Buyer’s or U.S.G.’s written request to Seller for any property under this clause, if Seller cannot locate Buyer or U.S.G. property within five (5) days, Seller shall notify
Buyer or U.S.G. that the item was not located and Seller subsequently has twenty (20) days to find the misplaced property. After such period, if it has not been located, the property shall be deemed "lost" and at Buyer’s or U.S.G’s election, Seller shall either reimburse Buyer or U.S.G. for the replacement and all related delay costs, or remake the lost property at no cost to Buyer or U.S.G., or seek relief of accountability depending the applicable risk of loss provisions of this Order.

E. Seller shall return all Buyer or U.S.G. owned property in a condition as good as when received except for reasonable wear and tear. Seller shall establish and maintain a property control system approved by Buyer and in accordance with the provisions of FAR 52.245-1 for the control of U.S.G. or Buyer owned property. Seller shall also notify Buyer if its property system is deemed inadequate by the U.S.G. If Seller’s property control system is deemed inadequate at the time of award of this Order or becomes disapproved anytime during performance of this Order, then the provisions FAR 52.245-1 Alternate 1 shall automatically apply and Seller shall assume full risk of loss for U.S.G. property regardless of the contract type of the Order or the basis of award. At all times, Buyer and the U.S.G., as applicable, shall have access to Seller’s facilities for the purpose of reviewing its compliance with the management of U.S.G. or Buyer property related to this Order.

20. SUBCONTRACTING, ORGANIZATIONAL CHANGES, AND PLACE OF PERFORMANCE

A. Seller shall not subcontract the entirety or any part of this Order without the prior written authorization of Buyer, and Seller shall require an agreement with conforming performance requirements from immediate and lower-tier suppliers. This restriction on subcontracting shall not apply to authorized distributors, dealers, jobbers or industrial suppliers nor shall it apply to purchases of standard commercial articles, including electronic components or raw materials including castings, forgings, and rough welded structures on which Seller will perform further work.

B. No subcontract placed under this Order shall provide for payment on a cost-plus-percentage-of-cost basis and Seller agrees to select subcontractors/suppliers on a competitive basis to the maximum practical extent consistent with the objectives and requirements of this Order.

C. Any subcontract, assignment, or other transfer of rights or obligations arising under this Order and made to a foreign person, as defined in the International Traffic in Arms Regulations or the Export Administration Regulations, must comply with the Export and Import Compliance clause herein.

1. Seller acknowledges that its actions may subject it and Buyer to liability under the FCPA, the anti-corruption laws, regulations, and policies of the home country of any supplier to this Purchase Order, the United States of America, and/or the anti-corruption laws, regulations, and policies of any other country with jurisdiction over the activities performed pursuant to this Purchase Order (together and individually hereinafter referred to as the “Anti-Corruption Requirements”). Seller acknowledges that it is familiar with the prohibitions under, and the requirements of, the Anti-Corruption Requirements.

2. Neither Seller nor any of its principals, consultants, subcontractors, shareholders, directors, officers, employees, or agents has performed or will perform any act which Buyer could reasonably believe would constitute a violation of the Anti-Corruption Requirements or which Buyer could reasonably believe would cause Buyer to be in violation of the Anti-Corruption Requirements, or present a credible risk, as determined by Buyer, of a violation of the Anti-Corruption Requirements.

3. If at any time Seller becomes aware of information or circumstances that suggest any of the provisions of this may not be accurate, it shall notify Buyer immediately in writing, but not more than seven (7) days after becoming aware of such circumstances.

4. No payment will be made hereunder to any person other than Seller; and no payment will be made to Seller under this Purchase Order other than the payment of the compensation in accordance with the terms hereof. Seller’s price quotations and invoice prices shall accurately and fairly reflect the commensurate value of the goods and services provided under this Purchase Order.

6. In connection with this Purchase Order, Seller shall maintain books, records, and accounts, which in reasonable detail, accurately and fairly reflect the transactions and asset dispositions of Seller and allow Buyer to (i) maintain accurate books and records, and (ii) comply with the requirements for internal management controls set forth in the Anti-Corruption Requirements as well as relevant U.S. laws and regulations.
7. Seller shall cooperate with, and provide assistance to, Buyer in implementing adequate due diligence procedures in connection with the selection and retention of consultants and subcontractors by Buyer or Seller.

C. Seller warrants that it and its officers, employees or representatives (i) have complied with the Anti-Kickback Act of 1986 and has not offered or given and will not offer or give to any employee, agent, or representative of Buyer any gratuity or any kickback within the meaning of the Anti-Kickback Act of 1986 and (ii) have not, for the purpose of improperly obtaining or rewarding favorable treatment in connection with the award of this Purchase Order to Seller from Buyer: (1) provided, attempted to provide, or offered to provide any kickback; (2) solicited, accepted, or attempted to accept any kickback; or (3) included, directly or indirectly, the amount of any kickback prohibited by (1) or (2) of this Section in the price charged by Seller to Buyer under this Purchase Order. Any breach of this warranty shall constitute a material breach of this Purchase Order. For purposes of this Section, the term "kickback" means any money, fee, commission, credit, gift, gratuity, thing of value, or compensation of any kind which is provided, directly or indirectly, to Buyer or Buyer's officers, employees or representatives, including any of their family members, subcontractors, or subcontractor employees, for the purpose of improperly obtaining or rewarding favorable treatment in connection with this Purchase Order. Any breach of this warranty shall be a material breach of each contract between Buyer and Seller.

D. Seller warrants that it has and shall maintain all registrations and licenses and shall obtain permits as required to perform the work hereunder.

E. Buyer and Seller acknowledge and agree that Seller’s goods and / or services under this Purchase Order are not provided pursuant to a United States Government contract.

F. Seller agrees to defend, indemnify, and save Buyer harmless from any loss, damage, fine, penalty, or expense that Buyer may suffer because of Seller’s failure to comply with the warranties and certifications in this Section 19.

22. RELEASE OF INFORMATION

Seller shall not publish, distribute, or use any information developed under or about the existence of this Purchase Order, or use the SPARTON company name (or the name of any division, affiliate or subsidiary thereof), logo, trademark, service mark, or trade dress for the purpose of advertising, making a news release, creating a business reference, creating a website content or for goods or service endorsement without prior written approval of Buyer.

Seller shall immediately notify SPARTON's Technical Representative if at any time he believes the
Client is effecting a change to this Subcontract. Breach of this clause is cause for Termination in accordance with the termination for convenience or default clauses in Section I.

C. Seller shall promptly remedy all deficiencies that arise during the warranty period at no cost to Sparton. If Seller fails to remedy the deficiency within a reasonable time after having been notified of the deficiency, Sparton may, at its option, remedy the deficiency by contract or otherwise and charge to Seller any increased costs incurred by Sparton or Sparton’s customer or make an equitable reduction in the price of this Order or any other Purchase Order or Order that Seller has with Sparton.
D. If Sparton elects to correct the deficiencies in the Product itself, Seller shall pay Sparton’s actual costs and Sparton’s labor at Sparton’s fully-burdened hourly rates (as appropriate) utilizing the then-current Government-approved rate set authorized for change-order activity.

E. Sparton’s approval of any documentation prepared by Seller or Sparton’s participation in design reviews or first article approval process or similar reviews shall not relieve Seller of any obligation under this warranty.

F. Neither party shall have the right, power or authority to bind, create any obligation, express, or implied, on behalf of the other, except as authorized herein. Nothing herein creates any rights in or for the benefit of third parties. Nothing in this Purchase Order shall be deemed, held or construed as creating a partnership, a pooling arrangement or joint enterprise for any purpose.

H.12. Incorporation by Reference

All specifications, standards, drawings, exhibits and documents attached hereto or referenced in this Subcontract are incorporated herein and applicable to the work to be performed.

H.13. Remedies and Non-Waiver

Failure of either party to insist upon strict conformance with any provision of this Subcontract shall not constitute a waiver of any provision hereof of any technical requirements, specifications or drawings, or of any default provisions hereunder. A waiver of any breach of this Subcontract shall not constitute a waiver of any subsequent breach of such provision except as specified and agreed to in writing by both parties.

Except as may be otherwise expressly stated, the remedies provided herein shall be non-exclusive and in addition to any other remedies in law or equity.

H.14. Third Party Litigation and Claims
A. The Subcontractor shall give SPARTON immediate notice in writing regarding the following:

1. Any action, including any proceedings before a federal, state, or local governmental or civilian agency, filed by or against the Subcontractor arising out of the performance of this Subcontract; and,

2. Any claim by a third party against the Subcontractor, the cost and expense of which is, or may be, allowed under this Subcontract.

A. In the event of the occurrence of either of the above, the Subcontractor shall immediately furnish to SPARTON copies of all non-proprietary pertinent papers and documents received by the Subcontractor with respect to such action or claim.

H.15. General Indemnity

For any claim related to the subject matter of this Subcontract, Subcontractor’s exclusive remedy and SPARTON’s entire liability for any cause, whether in contract, warranty, or in tort, shall be limited to the total amount paid by SPARTON to Subcontractor for those services provided hereunder upon which the liability is based.

1. In no event shall SPARTON be liable to Subcontractor or to any third party for any indirect, special, consequential, punitive, or incidental damages, including, but not limited to, damages for loss of business profits, business interruption, loss of business information, or failure to realize expected savings, even if SPARTON has been advised of, or could have reasonably foreseen, the possibility of such damages.

2. The Subcontractor agrees to defend and hold harmless SPARTON, its agents, employees, consultants, subcontractors, officers, directors, affiliates, parent, and subsidiaries, against any and all loss or damage incurred or to be incurred arising out of or related to (1) the Subcontractor’s negligence or willful misconduct during the performance of its duties under this Subcontract or (2) the Subcontractor’s infringement under this Subcontract of any intellectual property right of any third party. If the loss or damage is caused in part by the negligence or willful misconduct of SPARTON, Subcontractor shall be liable under the provisions of this clause only to the extent of Subcontractor’s contributory negligence or willful acts. To qualify for such defense and payment, SPARTON must (i) give the Subcontractor prompt written notice of any such claim, (ii) allow the Subcontractor to control the defense and all related settlement discussions, and (iii) fully cooperate with the Subcontractor in the defenses and in any related settlement negotiations. SPARTON may engage independent counsel of its choosing, at its own cost and expense. Upon notice of an alleged intellectual property infringement or if, in the Subcontractor’s opinion, such a claim is likely, the Subcontractor shall have the right, at its option, to (i) obtain the right from the third party to continue to provide the infringing product or service, (ii) substitute another product or service with similar capabilities or functionalities, or (iii) modify the product or service so that it no longer infringes.
3. Subcontractor agrees that they shall indemnify and hold harmless SPARTON and its respective officers and employees from any loss, cost, damage, expense or liability of every kind and nature which SPARTON may incur, arising out of, or in connection with performance under this Agreement, occasioned in whole or in part, by the actions or omissions of the Subcontractor, or its lower tier subcontractors. Subcontractor agrees to indemnify SPARTON to the full extent of any price or cost reduction effected by the Government, which may be as a result of Subcontractor or its lower-tier subcontractor cost accounting practices and standards that are found to be noncompliant with the Federal Acquisition Regulation (FAR) promulgated by Cost Accounting Standard Board, any violation of the Truth in Negotiations Act (TINA), and final audit rates.

H.16. Disputes

Disputes arising between the parties shall be resolved in accordance with Paragraph (1) below. Disputes that involve the federal Government shall be resolved in accordance with paragraphs (2) through (8) below:

1. Any claim, controversy or dispute arising between the parties hereunder shall be resolved amicably by the parties, if possible. Any action brought on a claim hereunder shall be barred unless filed and served on the other party within one year after the claim arose. All such actions shall be brought in the state or federal courts having jurisdiction over Fairfax County or Alexandria, Virginia, and each party acknowledges that such courts shall have personal jurisdiction over each party, and neither shall object to venue or the convenience of the forum in any such court. THE PARTIES HEREBY WAIVE TRIAL BY JURY WITH RESPECT TO ANY DISPUTE RELATING TO THIS AGREEMENT. Neither party shall be entitled to any indirect, consequential, or punitive damages in connection with this Subcontract or any action or proceeding hereunder.

2. Subcontractor acknowledges that SPARTON’s Prime Contract contains a “Disputes” clause, pursuant to which SPARTON may pursue certain procedural remedies in the event of a dispute between SPARTON and the Government under the Prime Contract. Any decision of a Government Contracting Officer under the Prime Contract relating to this Subcontract and binding on SPARTON, including a “final decision” as contemplated under FAR 33.211 (“Final Decision”) shall be conclusive and binding upon Subcontractor, and SPARTON shall notify Subcontractor of any such decision or Final Decision.

3. If SPARTON elects to appeal any Final Decision, Subcontractor shall provide SPARTON with reasonable assistance, including access to Subcontractor’s personnel and non-privileged information.
